

REMARKS

Further to the Amendment filed on February 27, 2007, the attached replacement sheet of drawings, wherein FIG. 3 has been designated by the legend "Prior Art", and following additional remarks are submitted.

Applicant respectfully submits that the Amendment filed on February 27, 2007, was a *bona fide* attempt to advance the application to final action, and was substantially a complete reply to the non-final Office action, but contained a minor deficiency, in that corrected FIG. 3 was inadvertently omitted. Accordingly, Applicant respectfully requests entry of this Supplemental Response.

Should any questions arise concerning this application, The Examiner is kindly asked to contact the undersigned at the number indicated below.

Respectfully submitted,
